Newsletter 4

Dear Parents

Christmas Art - Viewing & Ordering

A reminder to please come and join us on Monday 17th October from 2.30pm where you will be able to view your child's work and place orders for Christmas cards, mugs, coasters and wrapping paper.

New Hot Meals Menu

We are delighted to see that the new menu from our caterers is full of some really delicious, nutritious meals which will be brought to you after half term. We will now also be offering a jacket potato with various fillings as an extra option each day, increasing the menu choices to three per day. If you haven't tried the hot meals recently why not give them a go - details of the new menu will be sent home on Monday for orders after half term.

Packed Lunches

Just a quick reminder to keep an eye on the content of packed lunch boxes, children should not bring in sweets or chocolates and we encourage them to bring water to drink.

Coats

Can you please make sure that your child has a warm waterproof coat with them every day. We try to be outside with the children wherever possible so coats, hats, gloves & scarves will be necessary from now on as the weather gets colder (please ensure all items are clearly named).

Tissues

Any donations of boxes of tissues for the classrooms would be very gratefully received as we do get through a lot at this time of year!

Snow Closure

As the weather is getting a little colder we thought it might be wise to remind you of the school's snow closure procedure. If bad weather is forecast parents with internet access should check our website which will be updated if the school will be closed. Those without access to the internet will need to telephone the school and listen to the answerphone message which will be updated each day. We are planning to have a practice run of the procedures shortly after half term and will send out full details nearer the time.

2017 INSET Days

Our three remaining INSET days are going to be:

- Tuesday 3rd January
- Friday 3rd February
- Monday 24th July

Newsletter

If you would like to help us in our quest to become more environmentally friendly by receiving your newsletters by email then please let us know by completing the slip below. Could we also remind you that newsletters and details of upcoming events are also available on our website:

hemingtonprimary.co.uk.

Yours sincerely
